ABOUT US

Texas Prep Basketball School is an intense and highly-rated basketball camp for the serious minded player entering grades 7 - 12. We stress individual improvement through focused fundamental skill development and instruction.

WHAT TO EXPECT

At Texas Prep Basketball School, every camper is expected to arrive prepared for a week of mental and physical challenges. For this reason, it is important that each player arrives rested, with enthusiasm, and a positive attitude. A Personal Player Profile Report Card will be kept on each camper throughout the week and given to him on the last day of camp. This Report Card will note strengths and weaknesses and offer suggestions for individual improvement.

A variety of individual and team fundamentals will be presented during the camp, with drills being part of each clinic. Daily game competitions against campers of the same age and ability level will be scheduled. Every participant will play a minimum of one-half of every game. We design our program to have a ratio of eight players to each coach. We guarantee an excellent week of basketball involvement.

Skills taught at camp include:

- Playing Under Control
- Individual Defense
- Individual Offense
- Shooting Fundamentals
- Team Defense
- Rebounding
- Extended Defense
- Shooting the Jump Shot
- Passing and Receiving
- Transition-Defensive Recovery
- Open Court Work
- Zone Offense
